Re: Patti Ann Mine  
ACT/037/003

Dear Mr. Tetting:

I am writing in response to your letter of June 3, 1982 concerning an addendum to the above referenced mine for an ore pad expansion.

Apparently, some topsoil was pushed aside and stockpiled prior to expanding the ore pad. After this ore is eventually hauled off site for milling, and Atlas begins final reclamation of the Patti Ann Mine, available topsoil will be redistributed over the disturbed area prior to seeding.

Please contact me if you have any further questions.

Respectfully,

Ricky J. Broschat
